Notes

Nov. 23, 2017 Jane, great-granddaughter of Alliday Chestnut (Plot 24) provided corrected spelling (Alliday rather than Alladie). Her maiden name was Elliott. Alliday's daughter, Margaret (Chestnut) Munde is Jane's grandmother and was with Alliday the day she suddenly died. Alliday's husband was John Chestnut from Northern Ireland. We've changed Plot 23 from "Chestnut – Unknown" to John Chestnut - Husband"
