

at Pleasant Ridge my home.
We were married Aug 3 1929. Allen & his
dad were building a house for Early Harmon in
Norton. We lived with Allen's family that
fall & winter. In March we moved to an
apt. Harmon's owned. Allen had built our
furniture during winter. (Kitchen Dining room
& Bed room furniture) We didn't like the apt.
& wanted to get another before winter. In
Aug. we got one 3 houses about Allen's father
on Church St & moved in. It was nice
little apt. Dad was little & we enjoyed it.
Allen got work in spring of 1930 at Brookville
for Mr Adams. He went back & forth by train
to Kenosha & P.M. Sometimes he took car. Winter
of 31. He worked quite steady & summer.
building mill at Brookville. Work in year
32 was not steady but ^{He helped Dad and could be a handy man.} we managed fine
Sept 15 - 32. Candy came & that winter he
worked most all winter & in March 1933
we moved to Terryburn to Mrs Bailor's house
That year. Allen's father lived with us & worked
at mill building more buildings.

We were happy. In spring 34. Geo^d, Murray
Allen's brother & my brother Arthur lived
with us & worked in ^{mine} mill. They were
there about 2 months. Allen father
Geo & Arthur worked days & Ireland Murray
nights. I was a busy person. I did all the ^{cooking}
By fall 1935 Work was over. Allen went to
Boston to see if he could get work. He had met
Fred Hazen in Saint John which was the
wrong thing. Any way we left in Nov for
Boston. Stored our furniture & sold some
Went to Aunt Lillie's Allen's mother's sister in
Malden. Keddies & I stayed there & Allen
went to see this man & found out he was a
real bum. But he heard of U. S. Typewriter
wanted men. He went to see them & got
a job & got us an apt at 5 Cross St.
Somerville. It was not the best of places
but we moved in. Allen liked his work &
was doing real well. In 1936 My Dad was
very sick cancer. They said us to come
if we could we were home for 2 weeks in Aug.

Red died in Oct & Helen Grandmother was
sick in Dealer's His Mom came to see her in
Nov. She died last Nov Helen's Mom stayed till
first Jan. So nice to have her. Bob started
Kindergarten in Jan 1936 & Grade 1 in Sept. 36
Both kiddies had whooping cough Christmas
36. Then they had chickenpox & in Mar.
Bob had scarlet fever. He was real sick
we were quarantined ^{sp} 3 weeks. Fred
Hazen looked us up & kept bawling Helen
to come & help him & Helen went. He was
fixing a compressor in an old building
& got a bad dose of carbon monoxide. He
nearly passed out & after that. He had
boils & boils. between 20 & 3 hundred.
He had very bad time. In & out of
hosp. 1937 was an night nurse. By
spring of 1938 He was not able to work
steadily. We decided to come home.
Arrived by boat in St John May 24
Mrs Hazen, Geo Edie, Emerson John &
Florence met us. We came up to

Norton & Allen got truck next day to go to St. John for furniture. We stored it in garage for time being. Allen's Mom had not been to work the first week we were home she had a stroke & was in bed all summer. But got so she could get about by fall. She was a very patient patient. We stayed & I kept house till Nov 1940. In Sept 1939 War broke out & Sussex army camp was being built. Allen got job he was a building foreman had 200 men to look after. Geo & Murray worked there too. ~~He~~ was able to help out by keeping house for them all. In 1940 fall Allen's Dad fell & broke his shoulder. Things got very hard the youngsters bothered him & I was ^{in Nov 1940} ~~bothered~~ We got ourselves a place by ourselves & the boys got a lady to go in & take care of their mother. Murray was married in Dec ^{He & Marie} moved in till their new house was ready in spring of 1941

In Feb. 1941 Allen's mother died. In March
Geo. was married & later in spring the two
boys joined the army. Allen still worked
at Camp Sussex. By the spring of 1942
Camp Sussex was completed & 9 of March
Allen joined the Navy. He was in Saint John.
In Aug we moved to another house. Better
one & larger. Was just in one month & it
was sold. We had to move again in Nov.
The youngsters & I worked very hard.
But got settled in before winter.
Allen never went out of Saint John. His age
kept him from going to sea. We had wonderful
time in that house. Allen brought so many
facts from Navy home for weekends. And we
had other service men at home on week-
end. When Allen was home. In 1945 Oct.
He got out of Navy & did odd jobs around town
of Newton. Till spring. He went with Diamond
Construction Co. to Milltown on Housing Project.
Bob worked down there in summer.
He had worked in 1945. & Wallace Wood working in

Sussex. In spring #7 He was sick again
He said scarlet fever again & he had pneumonia
several times. But he graduated from High
School & passed Matriculation. The job was through
in Milltown & Geo & Murray got at home to
go to Fredericton & they would start a wood
working factory, store, housing etc.
We bought a house & moved up at seed
June. Not happy time. 1948 My sister
Florence died her came to live with us.
Bob had several sick spells. 1949 Audrey
graduated from Acadamac High Allen getting
along good in mill. Bob got married;
Audrey's girl friends came to live with
us while going to College - 1950. Things
not going so good at work Audrey graduated
in Commercial & got job with Mutual life.
1951 She went to Montreal to train for Nurse in
Feb. Things bad at Mill. Audrey operated on
& sent home to rest in May. We sold house
Allen left mill & we sub let on Kings College
Rd. 11 Sept. Audrey went back for Sept class.

1951

Allen worked till Aug with Leonard Best
on Severn stone. Then Alex & Bob went to
Nfld for Leonard to build houses for R.O.T.
Earline & Eric 1 yr + 5 months & Jacalyn 6
months & I left for Nfld to St. Andrews.
Lived in Camp there. Had real good
winter. Took satisfaction. Was there till
April 1952. We were transferred to Criblow
~~Pennsylvania~~ Pennsylvania to Whitbourne.
Stayed a week in Hotel there in camp.
We were all home during summer
for week (at different times) Moved in Sept
to Placentia to finish houses. Left for home
in Dec. We spent a week at St. Andrews.
Bob & Earline were in Hotel in St. Johns most
of week. Couldn't get out on plane because of
weather. We rented John Darling house
& lived at Millstream for winter. Allen was
feeling good. In March ¹⁹⁵³ he got job with Schumacher
& in April went to Chatham N.B. Had a place &
I moved up end April. Bob & Earline came in
June.

1755
They built a chapel at Air base finished
in Dec. Beeh born Sept. We all left for
Summerside. Got house very comfortable
& happy In ^{May} ~~April~~ 1954 Allen sent to
Moncton to Naval Base to build building
Audrey graduated in June I went to Montreal
to graduation. End of June Bob & Earlene
sent to Oromocto. The start of Camp
Hagtown. They had house at Benton.
Audrey married Sept 11 1954 in Summerside.
I moved to an Apt in Sussex
Sept 19. couldn't get one near Celsin work
in Moncton. Had real good winter in
Sussex In ^{April} ~~May~~ 1955 Allen sick with
Meningitis disease Got feeling good & He was sent
to Chatham again in June In Aug I mailed
apt left some furniture & records up to Chatham
Lived with Mr. Beerbridge & daughter
Jessie MacEchaan. Good winter Allen got
finished at Air base in ^{July} ~~March~~ 1956 In.
May we bought a Glendale Mobile Home
8 ft wide 36 ft long. ~~It~~ Traded in some.

1956
furniture in on it & sold some. In July
He was sent to Ft. to build Curwagh St
School. We moved over. put home in
Back yard at Burton for month till there
was a place by school we moved up there
In Nov. City put us out No mobile homes
to be in city. We moved to Kells on
Half Club Rd. We lived out by barn
Alphonse Bernard & we.
Allen drew up plans for Court for Omond
during winter. In spring He started Court.
In Aug. we moved down to a lot.

1954.
In Sept. Allen went with ~~the~~ Civil Service
Education Dept. In spring 1959 we
went on holidays at Andree's in N. Ill. Came
back & Omond wanted us to trade house. We
did & bought a 10 ft wide H 7 ft long & moved
in 24 May up by apt house. In summer
Allen built fence to put around lot & poured
cement for blocks for patio. Then in 1963 He
built a room on ~~the~~ near length of house
& we have been in it since. He put the

Water heating in home in 1975. Then
he just lived 6 yrs to enjoy it.
